

STUDY HALL CONTRACT

I understand that in Study Hall I am expected to:

1. Show up to Study Hall on time and remain in my assigned seat.
2. Ask my Study Hall teacher before I need to leave the room and I will sign out before exiting the room. If I must leave to go to another teacher's classroom, I will enter my Study Hall with a signed pass from the designated teacher.
3. Bring something to work on that will take me the **entire Study Hall period**. I understand that this could be homework, a book to read, or a textbook to take notes on the next chapter... After all, there is always something I can do that is *academic* in nature. ☺
4. Be quiet at all times. If I need to communicate with fellow students (i.e. when working together on homework), I will let Mrs. Doyle know and, if she allows it, whisper so I don't distract others.
5. Clean up my work area before leaving.
6. Remember the Trojan Way!
 - a. Be here
 - b. Be ready
 - c. Be kind
 - d. Be engaged

OWN YOUR ACTIONS!

7. Consequences
 - a. 1st offense: Verbal Warning
 - b. 2nd offense: One on one discussion with Mrs. Doyle
 - c. 3rd offense: Parent will be contacted
 - d. 4th offense: Referral to the principal

.....

I, _____, have read the above classroom expectations for Study Hall, will follow them, and understand that my failure to follow through with these expectations will result in the stated consequences.
